CA BOCES Evaluation Summary Form
Regional Professional Development

Use this form as a cover sheet for participant evaluations at the end of each regional professional development event. This form should serve as a summary of participant evaluations.

Satisfaction:

1. To what extent did the participants indicate you addressed the stated outcomes?	1	2	3	(4)	5
2. To what extent was the information meaningful to the participants?	1	2	3	4	(5)
3. To what extent did the participants indicate you promoted a positive learning environment?	1	2	3	4	(5)
4. To what extent did the participants predict it would impact student learning?	1	2	3	4	(5)
5. To what extent did the participants say they would recommend this learning opportunity?	1	2	3	4	(5)

Learning:

What were some of the major comments and takeaways from participants regarding what they learned?

Appreciation of SMPs and changes in standards

What did participants indicate they still need to support further learning or application of their learning?

Vertical alignment and planning time

What did the participants indicate they plan to do as a result of their learning?

Planning + implementation of standards based on timeline

Please comment:

I like how we [illegible] the Next Gen. [illegible] standards as the class went on.

I expected:

>to learn more about NYC Next Generation Math and ways to [illegible] in my classroom.

I received:

>an overview of the NYC Next Generation [illegible]

- [illegible] standards
- standard for mathematical practice

After this workshop I plan to:

>create learning tasks that are engaging yet incorporate the SMPs.

I still need:

>potential strategies [illegible] [illegible] other ideas teachers [illegible] find [illegible]

Comments:

Before this workshop I had [illegible] the SMPs. I am interested in implementation on the elem. levels.

Great activities. A workshop on the Standards for Mathematical Practices would be awsome.

I expected:

To learn about the Next Gen Math standards

I received:

A lot of information on Next Gen math standards. Was able to look at the difference between the Common Core and Next Gen standards. Info on the Standards for Mathematical Practice.

After this workshop I plan to:

Start setting up my curriculum.

I still need:

To look at curriculum.

Comments:

Well put together. Great use of my time.
