

Cattaraugus-Allegany School Library System

April 18, 2018

Session 1

Participate in learning an engaging technique that is sure to help students effectively develop research questions. Great for collaboration and shared instruction. Facilitated by CA BOCES' professional development specialist & curriculum coordinator Colleen Root.

Session 2

Keeping students engaged and self-managed can be difficult, especially in the library setting. The library offers students the freedom to wander, browse books, and choose what and where to read. Sometimes behavior and attitudes interfere with instruction and management. Come learn from two of CA BOCES' professional development specialists, Marguerite Andrews & Deanna Wilkinson, who will share effective methods for working with students Pre K-12th grade.

- **Unmotivated Students?**
- **Students who do not listen?**
- **Disrespectful behavior?**
- **We have solutions!**

Sally Severtsen, SLMS at Hinsdale & Whitesville, will share some of her best practices.

Mary Z., SLMS at Scio, will share a library skills based game for Website evaluation for you to use with Grades 4—Adult.

C3 Meeting will take place today too!

If you are not sure what committee you are on, visit <http://casls1.weebly.com>
