Join fellow educators from throughout the region as we dig deeper and explore practical strategies and resources for the implementation of the New York State Next Generation Standards. This workshop is designed for 6-8 teachers to participate in a Collaborative Learning Community focused on best practices in curriculum, instruction and assessment while creating opportunities for vertical discussion, classroom experiences and idea sharing. The 2018-19 sessions will focus on the following:

- NYS Next Generation Standards
- Guided Math Instruction
- Incorporation of Technology in the Math Classroom
- Project-Based and Problem-Based Activities
- NYSED Curriculum and Instruction Updates
- Provide Research-Based Best Practice to Engage All Students
