

SAVE THE DATE:

# COME JOIN US FOR THE K-5 SUMMER MATH INSTITUTE 2023

Are you feeling limited in time, but want to continue to strengthen your instruction and connect with teachers and leaders from around the region? Come join us for an exciting Summer Math Institute filled with best practices in mathematical instruction. This year's institute will highlight a keynote speaker focusing on the text *Building Thinking Classrooms in Mathematics - 14 Teaching Practices for Enhancing Learning* written by Peter Liljedahl.

## DAY 1: TUESDAY, JUNE 27, 2023

Virtual Learning via Zoom Session (8:30-12:00) Keynote Presentation

Participants will:

- Experience an Introduction to Building the Thinking Classroom with an emphasis on incorporating equity and diversity in the math classroom.
- Have an opportunity to connect and collaborate with teachers around the region on best practices in math instruction.

## DAY 2: WEDNESDAY, JUNE 28, 2023

In-person-CA BOCES Southern Tier West-STW, 4039 Route 219. Salamanca, NY (8:30-2:30)

Participants will:

- Have flexibility to develop a schedule that meets their diverse professional development needs and collaborate with teachers from around the region.
- Explore a variety of sessions including ways to assess mental math in the elementary classroom and strategies for differentiated math instruction.

## WHO SHOULD ATTEND:

- K-5 Math Teachers/Teacher Leaders
- Mathematics Specialists/Coaches
- Instructional Leaders
- Principals/Assistant Principals
- Curriculum Coordinators

**Registration:** Please have your district representative register you today at [register.caboces.org](https://register.caboces.org)
