**COSER 521 LEARNING
OPPORTUNITY**

Registration

Please have your contact person go to register.caboces.org or notify Laurie Sledge at 716.376.8357 or laurie_sledge@caboces.org.

3-5 NYSSLS OVERVIEW

During this day, each grade level will review their specific standards by engaging in activities around the three dimensions, which compose the performance expectations. Experimenting with the Engineering Design Process will also be apparent, and participants will partake in this opportunity to learn how engineering is ingrained in the new standards. Finally, the workshop will cover the 5E model, which is a best practice used for science instruction.

Equal Opportunity Notice

CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237.
