

# Grades 6-8 Math CLC

## *Supporting the Implementation of Common Core Standards for Mathematics*

Join fellow educators from the region as we dig deeper and explore strategies and resources that support the implementation of the Common Core Standards, Shifts and Standards for Mathematical Practices. The focus will be on teacher collaboration. Participants may choose to construct their own professional development learning from the following topics:

- ❖ Assist with NYSED Math Module Implementation
- ❖ Share resources classrooms and State Ed
- ❖ Instructional best practices
- ❖ Activities in the Middle School Math classroom
- ❖ Other areas based on Teacher need
