

CA BOCES Curriculum Forum 2016-2017

The CA BOCES Curriculum Forum is provided by CoSer 524 and provides opportunities for instructional leaders and curriculum specialists in school districts to meet for updates and professional learning. Our Curriculum Forum has a long history of connecting via video conference with members of the Curriculum and Instruction team at NYSED to receive important information and updates directly from associates in each of the content areas. The agenda of each meeting follows this general format:

- NYSED Video Conference
- Updates from ISS Departments
- Updates from the Staff and Curriculum Development Network (S/CDN)
- Professional Learning and Round Tables

We host four face-to-face meetings throughout the year and also provide online meetings in months when there is no face-to-face meeting. We encourage districts to send curriculum administrators and instructional leaders including some teacher leaders.
