

Data-Driven Instruction: First Steps

Join us at CA BOCES, Olean Center, Barn
8:30-2:30 on Thursday, July 20, 2017

To register, please have your district contact register at:
register.caboces.org

This workshop will be based on Paul Bambrick-Santoyo's book, Driven by Data. Participants will learn how to create rigorous assessments, engage in thoughtful analysis of data, and create action plans based on data analysis. Developing a culture centered around data-driven instruction, such as establishing data leadership teams and regular data meetings, will also be a focus for this session. Administrators and district-level teams are encouraged to attend!
