Laurie_Sledge@caboces.org

This **Professional Network** is designed to provide collaboration, networking, and research opportunities for School Psychologists in the CA BOCES Region. The meetings are structured around the expertise, needs, interests, and concerns of the school psychologists who attend.

Participants will work collaboratively in recurring cycles of collective inquiry and action research to achieve better results for the students they serve.

Please join us and ask about becoming a member of CA BOCES's School Psychologists' Listserv.
