Description:

In this 2-day Effective Classroom Management Practices workshop, teachers and administrators will learn about the ever-evolving world of classroom management. What makes classrooms run like well-oiled machines? In this workshop, participants will learn about effective strategies they can employ in their classroom, assess and revise their current classroom management practices, collaborate with others, and develop a support system with others throughout the region. Participants will also have the opportunity to create a plan they can immediately implement in their classroom.

Facilitator(s):

Michelle Rickicki, Justin Shumaker

Objectives:

The participants will be able to:

- identify the importance of effective classroom management practices modeled for them
- Critique and revise current practices by collaborating with others
- Develop a support system with each other

Audience:

Teachers: Grades K-5, Administrators
