CLASSROOM MANAGEMENT

For School Librarians

Classroom Management - a year of professional study

The School Library System offices of the WNY Region are pleased to facilitate a study centered on classroom management for school libraries. Participants will receive copies of two books:

- We Belong: 50 Strategies to Create Community and Revolutionize Classroom Management by Laurie Barron & Patti Kinney
- Classroom Management for School Librarians by Hilda K. Weisburg & Gail Dickinson

There will be two book studies, facilitated online from October until March. The learning will culminate with an in-person workshop at the Erie 1 BOCES Campus: 355 Harlem Rd, West Seneca, NY 14224.

Space is limited to 15 participants from each of the four participating BOCES so early registration is encouraged.

Registration Closes September 15th - Link Below
