Equal Opportunity Notice

CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237.

Scholastic Challenge is a fast paced contest that tests knowledge of academic trivia and current events. Teams of four students measure their ability to recall details from a wide variety of topics. This annual event, sponsored by Cattaraugus-Allegany BOCES, hosts teams who compete in a Junior Division and Senior Division, for grades 6-12. Throughout the day, several thousand questions are read aloud to these ambitious teams. The students combine an impressive display of intelligence with camaraderie, graciousness and good sportsmanship. The final matches are held on stage in the Portville auditorium. The first and second place teams in each division are presented with plaques to recognize their achievements, as well as an invitation to attend the National Academic Championship.
