VEX Competitions bring STEM skills to life by tasking teams of students with designing and building a robot to play against other teams in a game-based engineering challenge.

STEM concepts are put to the test as students learn lifelong skills in teamwork, leadership, communications, and more. Tournaments are held year round at the regional, state, and national levels and culminate at the VEX Robotics World Championship each April.

NOTICE OF NON-DISCRIMINATION

The Cattaraugus-Allegany-Erie-Wyoming Board of Cooperative Educational Services does not discriminate on the basis of an individual's actual or perceived race, color, religion, creed, ethnicity, national origin, citizenship status, age, marital status, partnership status, disability, predisposing genetic characteristics, sexual orientation, gender (sex), military status, veteran status, domestic violence victim status or political identity, gender expression, and religious practices or any other basis prohibited by New York State and/or federal non-discrimination laws in employment or its programs and activities. The District provides equal access to community and youth organizations. Inquiries regarding the District's non-discrimination policies should be directed to:
