Description:
Cattaraugus-Allegany BOCES is proud to host the Region 19 Tournament.

Odyssey of the Mind is an international educational program that provides creative problem solving opportunities for students from kindergarten through college.

Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literacy classics. They can bring their solutions to competition on the local, state, and world level.

Thousands of teams from the United States and about 25 other countries participate in the program.
