

High School Math CLC

2018-2019

Join fellow Math educators from the region as we dig deeper and explore strategies and resources that support the implementation of the Next Generation Math Standards and the Standards for Mathematical Practice. Teachers will collaborate to gain deeper understanding and develop elements of their lessons that incorporate the following:

- ❖ Analyze District Regents Data
- ❖ Explore the Next Generation Math Standard
- ❖ Develop classroom examples of the Standards of Mathematical Practice
- ❖ Share classroom resources
- ❖ Instructional best practices
- ❖ Other areas based on Teacher need
