

# Project Based Learning

Project-Based Learning (PBL) is an instructional approach that engages students throughout the learning process. In this two-day learning opportunity, participants will learn the fundamentals of PBL including key components such as student voice and choice, driving questions, assessment in PBL, and managing a project.

At the end of two days, participants should have designed the basic structure of a PBL unit to implement in their classroom.

## **COSER 517: Model Schools**

August 2 & 3, 2018  
8:30 - 2:30

CA BOCES  
Southern Tier West  
4039 Route 219, Suite 100
