

August 20, 2018 & February 8, 2019

8:30 AM - 12:00 PM

CA BOCES Teaching & Learning Center at the Barn

As administrators of a school, it is essential to be at and stay on the forefront of progressive changes for education. That means implementing educational technology into everyday work as well. While Administrators won't be using it to teach or help students with homework, there are certainly many ways to use educational technology to help streamline and increase the efficiency of the duties of administrators. You are invited to come learn how to put these applications, resources, and software programs to good use and to lead by example through the most up-to-date and modern approaches to technology integration and administration today!
