**This is a COSER 529
Learning Opportunity**

Join fellow educators from throughout the region as we dig deeper and explore practical strategies and resources for the implementation of the NYS Next Generation Math/STEM Standards. This workshop is designed for grades K-2 teachers to participate in a Collaborative Learning Community focused on best practices in curriculum, instruction and assessment while creating opportunities for vertical discussion, classroom experiences and idea sharing. The 2018-19 sessions will focus on the following:

- NYS Next Generation Math/STEM Standards
- Guided math instruction
- Incorporation of technology in the math classroom
- STEM Project-Based and Problem-Based activities
- NYSED curriculum and instruction Math/STEM updates
- Provide research-based best practice to engage all students

**Equal Opportunity Notice:**

CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237.
