

Creating Student Playlists using TES/Blendspace

~ A COSER 517 Offering~

TES Teach allows users to combine content from the web and their computer into one organized, easily modifiable lesson that can be shared with a colleague, assigned to a class, presented, and viewed on any device with a web browser. Educators love TES Teach because it saves time by keeping links, videos, and digital content in one easy place. They use it to differentiate instruction, keep students engaged, and make presentations more engaging
