

CA BOCES Professional Development

Genius Hour **CLC**: Personalize Student Learning

September 19, 2018 - January 9, 2019 - April 9, 2019

8:30 AM - 2:30 PM

Genius Hour puts the power of passion-driven learning into the hands of the students. Allowing students to create a project focused around a topic they are driven to learn about or a problem they want to solve can lead to better problem-solving skills that can be applied in any content area! Resources from A.J. Juliani, Andi McNair, Don Wettrick and more will be shared.

Over the course of three days throughout the year, come join as we share plans, thoughts, and collaborate with colleagues to enrich your classroom with the benefits your students will receive from the use of Genius Hour in your classroom. Day One will focus on how to rollout Genius Hour in the classrooms, Day Two will center around providing support and guidance for the students, and Day Three will celebrate our successes/difficulties and collaborate for moving forward in future Genius Hour implementations.

To register, please have your district representative visit: register.caboces.org

COFFEE &
REGISTRATION
AT 8:00 AM
