

Changing History Assessments

A look at NYSED changes and implementation for the Global II and US History & Government Regents exams.

This workshop will introduce participants to the upcoming changes in the New York State Regents examinations for Global History and US History & Government. This workshop will help to inform participants how the New York State Social Studies Framework components have been the focus in the creation of the new exam. They will also see examples of the ways in which the Social Studies practices have been embedded into the new assessment

This session addresses Teaching Standards II, VI, & VII
