

# CA BOCES Curriculum Forum 2016-2017

The CA BOCES Curriculum Forum is funded by CoSer 524. Opportunities are provided for instructional leaders and/or curriculum specialists to meet for the latest updated information and professional learning. CA BOCES Curriculum Forum has a long history of connecting via video conference with members of the NYSED Curriculum and Instruction team to receive important updates directly from associates in each of the content areas. The agenda of each meeting follows this general format:

- NYSED Video Conference
- Updates from ISS Departments
- Updates from the Staff and Curriculum Development Network (S/CDN)
- Professional Learning and Round Tables

We host eight meetings throughout the year either face-to-face or online. Districts are encouraged to send curriculum administrators and instructional leaders.
