

# Geogebra Workshop

GeoGebra

## ***Free Math Software Download and app!***

Dynamic Math software is used to help develop student learning with quick, easy interactives.

Come learn the basics of Geogebra and create future plans for your students using this hands-on software!

For more information contact Mark Carls at: **Mark\_Carls@caboces.org**

**Tim Brzezynski** from Connecticut will lead the training.

Tim has traveled around the United States facilitating Geogebra trainings.

His website has many resources and he'll share his ideas with our area teachers:

**<http://www.dynamicmathsolutions.com/>**

This workshop will take place

**Wed. June 29th & Thurs. June 30th**

**Olean CABOCES Main Center in Training Room C.**

Please feel free to bring your own laptop and/or tablet(iPad) with the Geogebra software or app downloaded.

Registration at 8am and the workshop will run from **8:30-2:30**.

This is a CoSer 529: Effective Schools learning opportunity..  
To register, please have an administrator contact  
Laurie Sledge **716-376-8357** or e-mail at:

**Laurie\_Sledge@caboces.org**

#### Equal Opportunity Notice

CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237.
