

PLEASE JOIN US FOR THE

GRADE 3-5 COLLABORATIVE LEARNING COMMUNITY

To help 3-5 teachers grapple with the ever-evolving standards for ELA, Mathematics, Social Studies, and Science, CABOCES invites teachers to join together in their professional learning. This CLC is designed to support all participants in exploring curricular resources and instructional practices associated with grade level curriculum, and create a forum for sharing ideas regarding standards implementation.

For those only interested in one domain or area of study, different dates are offered for each focus area.
