In this CLC you will gain an in depth analysis of the best-selling book Teaching with Poverty in Mind, as renowned educator and learning expert Eric Jensen digs deeper into engagement as the key factor in the academic success of economically disadvantaged students. Drawing from research, experience, and real school success stories, this book will help teachers identify steps they can take to create an exciting yet realistic implementation plan. This timely resource will help you take immediate action to revitalize and enrich your practice so that all your students may thrive in school and beyond.

Registration: please have your district representative register you at register.caboces.org.
