

Standards-Based Grading CLC

Join us at the Barn in Olean from
8:30-2:30 on:
10/20/17 and 3/6/18

Although standards-based grading isn't new, its value has never been greater. This CLC will provide opportunities for you to expand your understanding of standards-based grading practices while also connecting with colleagues across the region to collaborate. Participants will learn research-based best practices in regards to standards-based grading in the classroom, as well as standards-based report cards. The works of Robert Marzano, Thomas Guskey, and Rick Wormeli will serve as the foundation of our CLC.

Please have your district
contact register at
