Book Study:

The Daily 5

Implementing an effective literacy program in the classroom—one which meets the widely varying needs of all your students while building a genuine love of reading—is a significant challenge.

One of the most popular and successful frameworks that has emerged to help educators meet this challenge is the Daily 5™, first introduced by Gail Boushey and Joan Moser in their 2006 book, *The Daily 5: Fostering Literacy Independence in the Elementary Grades*.
