know they're
learning!

zulama teacher certification training

Offered at Cattaraugus-Allegany BOCES in Olean, NY (The Barn)
January 17 and 18, 2017 from 8:30am to 3:30pm

Zulama's Entertainment Technology Curriculum brings the best of blended and project-based learning into middle and high school classrooms through authentic learning experiences. Delivered through a well-structured and robust Learning and Content Management System (LCMS), Zulama provides game design, computer programming, and digital art curriculum. The content is delivered online in a blended classroom environment in which students collaboratively explore digital and board game design. Students not only gain technological skills needed for success in the 21st Century, they also develop interpersonal skills through face-to-face communication and collaboration facilitated by project
