

Cattaraugus-Allegany School Library System April 18, 2018

Session 1

Participate in learning an engaging technique that is sure to help students effectively develop research questions. Great for collaboration and shared instruction! Facilitated by CA BOCES' specialist **Colleen Root**.

Session 2

Managing students can be difficult, especially in the library setting where there is open space and students have choices. What other special allows students the freedom to wander, browse books, and choose where to read? Two of CA BOCES' specialists, **Marguerite Andrews** and **Deanna Wilkinson**, will share their expertise based on your areas of need.

Session 3

Become engaged with the new AASL Standards by diving into the six foundations and four domains. Practicing these standards complement library leaders who desire to make a difference in their delivery of instruction and their goal of increasing student engagement and achievement.

C3 Meeting will take place today too! If you are not sure what committee you are on, visit <http://casls1.weebly.com>

Do
you
have a best
practice or
success
story?

Great!

Come
prepared
to share.

Sally Severtsen, SLMS at Hinsdale & Whiteville, will share some of her best practices.

Mary Zdrojewski, SLMS at Scio, will share a library skills based game for Website evaluation for you to use with Grades 4—Adult.
