Morning Session: KAPCO Book Repair

This morning session is designed to demonstrate quick and easy techniques for extending shelf life on general circulating materials. Prevention is the key, but we will be addressing specific, common repairs: re-inserting loose pages, broken spines, torn header caps, ripped and torn pages. Whether it is gluing, taping, or recovering, you will learn how to best repair and extend the life of print resources.

This workshop is for librarians, library aides & volunteers who want to learn about book repair products and how to make repairs worth the time and effort.

Each participant is asked to bring one or two paperback books, preferably new or new-like to demonstrate covering techniques; a hardbound book with a book jacket to demonstrate application of book jacket covers; a stapled book or magazine; one hardbound book that needs repair and a hardbound book that does NOT have a book jacket cover, (maybe a student's textbook?)

All participants will receive a FREE sample packet of materials and there will be a drawing for a Deluxe Paperback Protection Kit valued at \$105.00.

Afternoon Session: NYS Summer Reading Program

A local public librarian will highlight the Summer Reading program and lead a discussion on collaborating with your local public library in promoting and celebrating student reading!

NYS Teaching Standards:
Standard 2: 6
Standard 4: 3
Standard 6: 1, 4
Standard 7: 1, 3
