

DIGNITY ACT COORDINATOR

The Dignity for All Students Act seeks to provide New York State school students with safe and supportive environments free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function. Compliance with the Dignity Act requires at least one staff member in each school building to be designated as the Dignity Act Coordinator (DAC) and thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (defined to include gender identity or expression), and sex (Education Law §13[3]; 8 NYCRR §100.2[jj] [4]).
