

STEM CONNECTIONS

FROM CURRICULUM TO CAREERS

Join P-12 teachers, counselors, and administrators to discuss the connections between STEM and career opportunities in our region. Educators will be immersed in tours of local manufacturing industry partner facilities, learn about emerging CA BOCES CTE programs that lead to future career opportunities, and discuss the connections to the K-12 curriculum. Emphasis will be placed on discussing available learning and employment opportunities in the region, the skills necessary for career success, and making connections in your own school and classroom.

JULY 18-19, 2018 **8:30AM - 2:30PM**
CA BOCES OLEAN CTE CENTER

ADDITIONAL OPPORTUNITY:

You're invited to participate in a Career and Technical Education project experience at the CA BOCES CTE Center in Olean where you'll engage in a hands-on CTE lesson. Each participant will leave having done hands-on work with CTE equipment and a project they've created themselves.

JULY 20, 2018 **8:30AM - 11:30AM**
CA BOCES OLEAN CTE CENTER

*This is a CA BOCES CoSer 517: Model Schools learning opportunity.
Please have your district representative sign you up at <http://register.caboces.org>.*

Equal Opportunity Notice: CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237
