

# Summer Math Conference 2019: Data Driven Excellence

**Date:** 08/19/2019

**Site:** CA BOCES - Olean CTE, Conference Room 1, 2, 3

**Time:** 08:30 AM – 02:30 PM

COSER  
**529**

## Description:

8:00-8:30 Registration

8:30-9:15 Welcome/Keynote

9:15-10:15 Session 1: Priority Standards Grades 3-8

10:15-10:30 Break

10:30-11:30 Session 2: Applying Standards for Mathematical Practice

11:30-12:15 Lunch

12:15-1:15 Session 3: Priority Standards Grades 3-8

1:15-2:00 Session 4: Applying Standards for Mathematical Practice

2:00-2:30 Closure

## Facilitator(s):

Kathleen Agnello, Mark Beckwith, Mark Carls, Karen Insley, Jillian Putnam, Justin Shumaker

## Objectives:

Join fellow 3rd through 8th grade educators as we explore regional data to drive our assessments, curriculum, and instruction in a conference-style workshop. A focus of the day will be in exploring performance indicators with traditionally low performance. In addition to applying the Standards for Mathematical Practice with BOCES Curriculum Coordinators, you will hear from teachers who have found success meeting mathematics learning standards.

## Audience:

Teachers: Grades 3-8 Math, Administrators

To register, please have your district's registration representative enroll you at this URL: <https://register.caboces.org/seminar/view/3048>
