

HS Science Collaborative Learning Community: Living Environment and Chemistry

Date: 10/16/2019, 1/29/2020, 4/22/2020

Site: CA BOCES - Olean CTE

Time: 08:30 AM – 02:30 PM

COSER
521

Description:

Collaborative Learning Community is designed to provide collaboration, networking, and implementation strategies for high school science regents teachers in the CA BOCES region. The meetings will be structured around the expertise, needs, interests, and concerns of teachers who attend as NY transitions to the NYS Science Learning Standards. Participants will work together in recurring cycles of collective inquiry to achieve better results for students they serve.

Facilitator(s):

Clay Nolan

Objectives:

- Connect and collaborate with colleagues
- Develop and create strategies, lessons, and units aligned to NYS Science Learning Standards
- Formulate paths to transition from old to new standards/curriculum

Audience:

Teachers: Grades 9-12 Science, Living Environment, Chemistry

To register, please have your district's registration representative enroll you at this URL: <https://register.caboces.org/seminar/view/3148>

STEM: SCIENCE KITS

Equal Opportunity Notice: CA BOCES hereby advises students, parents, employees and the general public that it offers employment, programs and educational opportunities, including career and technical education opportunities, without regard to gender, race, color, national origin, handicap or any other legally protected status. Inquiries regarding this nondiscrimination policy and grievance procedures may be directed to: Human Resources Director, Cattaraugus-Allegany BOCES, 1825 Windfall Road, Olean, NY 14760; 716-376-8237.
