

Next Generation Math Standards 101

Date: 07/30/2019

Site: CA BOCES - Olean CTE, Conference Room 1, 2, 3

Time: 08:30 AM – 02:30 PM

COSER
529

Description:

Participants will take a dive into the Next Generation Math Standards Documents, including the introductory material, as well as the snapshots and the crosswalks for each grade level. The Grade-level Snapshot which provides a condensed one-page summary that lists standards that were added to the grade/course, standards that were moved, and any instructional considerations that need to be highlighted based on new standard clarifications or language modification. The Grade-level Side-by-Side uses the full-text (no diagrams or charts) of both sets of standards so that readers can review and compare the two sets side-by-side. Strike-through and bolded text can be seen throughout in order to highlight content differences and wording modifications between the two sets of standards. (NYSED)

Facilitator(s):

Kathleen Agnello, Mark Beckwith, Jillian Putnam, Justin Shumaker

Objectives:

Participants will:

*review the introductory material for the Next Generation Math Standards

*look at the snapshot as well as the crosswalks for grade levels appropriate to each participant

Audience:

Teachers: Grades K-12 Math, Instructional Coaches, Administrators
