

Integrated STEM in Project Based Learning

It's the CTE Experience.

This is a Professional Development Opportunity offering CTLE Credits. Experience student driven STEM activities. Choose the CTE Center(s) where you want your CTE Experience.

Choose one, two, or all three CTE Centers:

October 16, 2019

CTE Center
at Ellicottville

October 23, 2019

CTE Center
at Olean

November 6, 2019

CTE Center
at Belmont

11:00 am - 2:00 pm includes lunch and learning

Experience student driven STEM activities that lead to the application of theoretical concepts using real world technical skills, problem solving skills, and communication skills.

To register, please have your district's registration representative enroll you at this URL:
