

High School to College Symposium: Research Skills Incoming Freshmen Need to Know

Date: 10/15/2019

Site: CA BOCES - Olean CTE

Time: 08:30 AM – 02:30 PM

COSER
510

Description:

Academic librarians recognize the lack of research skills acquired by incoming freshmen. A panel of academic librarians will discuss areas in need of strengthening and how high schools can better prepare students. This workshop aims to bring awareness to the importance of library and research instruction for academic success and participants will leave with a plan for scaffolding research skills in grades 7-12.

Facilitator(s):

Cecelia Fuoco

Objectives:

- Participants will increase knowledge about incoming academic students' inconsistencies and weaknesses in library skills and research skills.
- Participants will evaluate current practices in their schools.
- Participants will edit and create a scaffold of research skills for grades 7-12.

Audience:

Teachers: Grades 7-12 (all subjects)

To register, please have your district's registration representative enroll you at this URL: <https://register.caboces.org/seminar/view/3145>
