

# BUILDING CAPACITY AROUND THE NEXT GENERATION MATHEMATICS LEARNING STANDARDS

The WNY JMT Math Team is excited to present a professional learning opportunity for participants to actively engage in discussion and collaborative practices surrounding capacity building of the Next Generation Mathematics Learning Standards (NGMLS). As we enter phase two of the transition to the NGMLS, this workshop will provide participants the opportunity to engage in classroom instructional strategies as well as determine changes needed to ensure classroom instruction is research-based and aligned with the standards.

**Registration and refreshments start at 8:30am for both sessions.**
