## Update and Refresher for Principals

**Thursday, August 18, 2022**  
**Olean CTE Center**

Attend either or both sessions (Lunch is provided for all participants)

### **Morning Session: 9:00 a.m. to Noon**

#### **Recent Decisions & Rules for Principals & AP's**

The morning session will focus on recent decisions from hearing officers, the Commissioner, and the Courts (including the very recent US Supreme Court school prayer "decision in Kennedy v. Bremerton School District, 2022), and what questions and rules result from those decisions that may affect how Principals and AP's approach different matters. (We will also review data and recurring questions that arose in 2021-22 involving student discipline). Plan to discuss the decisions and apply the rules and guidance to different scenarios.

(Lunch provided at Noon)

### **Afternoon Session: 12:30 p.m. to 3:30 p.m.**

#### **Title IX Refresher & Training**

The afternoon session will prepare participants to better understand their own as well as their school's obligations under the 2020 Title IX Regulations; the significance of the Regulations; and how a complaint is appropriately handled. By improving your understanding, you will be better positioned to prevent violations, and intervene early before conduct rises to unnecessary disruption and a potential violation. *Additionally, this session will provide the training required for Title IX Coordinators, Investigators, Decision Makers, Decision Makers for Appeals and Facilitators of Informal Resolutions.* We will also review the anticipated changes to the Regulations that are currently under consideration.

Please ask your District representative to register you at:

To help offset expenses, the cost per workshop will be \$30 per participant  
with a \$100 maximum charge per district.
