

Summer / Fall 2019 ISS Course Offerings

Mission of CA BOCES Instructional Support Services:

Our mission is to support the educational community, leaders, teachers, and students of Cattaraugus and Allegany Counties by arming all learners with the most current educational resources and contemporary pedagogical understanding so all learners will be competitive in a connected, global, economic, and cultural society.

CA BOCES Core Values:

- to have highly satisfied customers;
- to treat all individuals with respect;
- to provide an environment that supports innovation and risk.

About this Catalog:

This catalog represents educator-focused professional learning opportunities developed by our team of professional learning coordinators. Each offering was designed based on district needs and/or based on best practices and current trends from the field. While these learning opportunities were developed as regional workshops for area teachers, teaching assistants, related service providers, and administrators, many of them can be customized to be offered as on-demand training within your school district.

Registration Information:

To register for any of the professional learning offerings we provide, please have your district's registration representative navigate to our online registration system at <http://register.caboces.org>. If you need assistance with this, please contact our registrar, Laurie Sledge, at 716-376-8357 or laurie_sledge@caboces.org.

For inquiries about our programs or to schedule on-demand professional development for your district, please contact our Senior Program Manager for Professional Development, Tim Clarke (tim_clarke@caboces.org), or our Program Manager for Learning Resources, Amy Windus (amy_windus@caboces.org).
