Please comment:

Michelle really gave 4th grade a lot of usable information & templates to help students understand the Power- Standards.

I expected:

to gain knowledge in the
Power Standards to help
third grade understand
& fun part.

I received:

wonderful templates

After this workshop I plan to:

Do some revamping
in ELA - using
Power Standards as
a model.

I still need:

to make rubrics
in "students"
language so they
understand what is
expected of them.

Comments:

Wonderful

Please comment:

Very Beneficial environment where we were able to discuss things that were concerning us with ELA. Also were able to discuss the power standards and new ways to help students understand them.

I expected:

to cover the parallel
assessment from
November.

I received:

Information regarding
the Power Standards

After this workshop I plan to:

Include the Power
Standards in engaging
ways.

I still need:

to include
informational
texts into my
instruction.
