What else should we know about the materials provided in this kit?

What else should we know about the curriculum provided in these kits?

What else should we know about the AdvancingSTEM website?

Very impressed with the learning. The students won't just be sitting and watching a teacher directed lesson. This is learning

I am very appreciative of the time and effort put into the development of these kits. This is what learning is supposed to look like.

Add the web links in the student manual along with the QR codes so students can just click on the link if they are viewing the manual o
