

## CA BOCES Evaluation Summary Form Regional Professional Development

*Use this form as a cover sheet for participant evaluations at the end of each regional professional development event. This form should serve as a summary of participant evaluations.*

### Satisfaction:

1. To what extent did the participants indicate you addressed the stated outcomes?	1	2	3	4	5
2. To what extent was the information meaningful to the participants?	1	2	3	4	5
3. To what extent did the participants indicate you promoted a positive learning environment?	1	2	3	4	5
4. To what extent did the participants predict it would impact student learning?	1	2	3	4	5
5. To what extent did the participants say they would recommend this learning opportunity?	1	2	3	4	5

### Learning:

What were some of the major comments and takeaways from participants regarding what they learned?

- Learned more about proactive circles
- Learned how to use affective language (Statements/Questions)

What did participants indicate they still need to support further learning or application of their learning?

- How to use RP in a special education setting
- What it looks like in an elementary setting
- More information on how to conduct academic circles.

What did the participants indicate they plan to do as a result of their learning?

- Use more circles in their classrooms or begin to use circles in their classrooms.
- Get the RP Energizers book
- Begin using the language and changing mindset

Please comment:

Great job! Before the training a lot of people were making  
negative, "not another thing" comments, but I think everyone sees  
the value, sees that it's not unwieldy, and see that they are  
already doing a lot of things.

I expected:

an overview and  
got that in a more  
meaningful way that  
expected

I received:

a great refresher  
I attended a day  
training last year  
now feel like  
I owe a  
great thanks

After this workshop I plan to:

be more aware conscious  
of and pumped with  
affective statements

I still need:

I'm not  
sure right now  
what one thing  
more needs  
will surface

Comments:

So  
great!
